

# SPOKEN WORD SOCIETY

# WHAT WE DO

## Spoken Word is...

Poetry that's written with the explicit intention of being voiced... making Cadence, Rhythm, Pacing, and Tone all the more important.

## Our MISSION

1. Foster a COMMUNITY where we feel SAFE to share our stories without judgement.
2. Create a space for both new and experienced writers/poets to grow and explore.
3. Introduce Spoken Word Poetry as an instrument for expressive and a driver of change.

## Share your work...

[www.spokenwordsociety.com](http://www.spokenwordsociety.com) is our platform for Western Students to publish their poetry, creative writing, photography and visual art!
